

CER Saturday Spectacular

4 Weeks 10:00 -12:00

Jan 13, 2018 – Feb 3, 2018

LEGO Club

Participants will develop the skills of leadership, cooperation, and problem solving and as they work with others to build Lego creations. Besides building, each week the children will participate in physical activities such as relay races and scavenger hunts to challenge to their creativity. When working together on a team, each member will take on a different role as they complete their project. The roles of Engineer, Builder and Parts Manager will allow the participants to experience the responsibilities that each job demands. Time will be allowed for all members to “free build” so their personal creativity and imagination can be explored.
